

PERMIT NO. _____

APPLICATION FOR PERMIT TO EXTRACT SOIL

DIRECTIONS: Please fill in the following information as completely and accurately as possible. On the back of this sheet or a separate sheet, provide a drawing of the area from which the soil, gravel mineral, stone, rock, etc. is to be removed showing distances, elevations, and other information to clearly explain the proposed excavation. THIS APPLICATION IS NOT ACCEPTABLE UNLESS ALL OF THE REQUIRED INFORMATION IS FURNISHED.

Name of Property Owner: _____ Phone No. _____

Address: _____

Contractor Name and Address: _____

Complete Legal Description of Property Where Soil is Being Removed: _____

Section _____ Township _____ Range _____ Lot No. _____

Purpose of the Removal (road, etc): _____

Madison/Pierce County Roads to be Used in Hauling: _____

Dates Excavation Will Take Place: Start: _____ Finish: _____

Approximate Amount of Soil to be Removed: _____

Is the Excavation in: Floodway? Yes _____ No _____ Floodplain? Yes _____ No _____

Questions Regarding the Excavation:

1. Does the owner and /or contractor possess proof of insurance? Yes or No
2. Has a bond been posted for this project? Yes or No
3. Is a statement attached identifying the effect on the groundwater table of the adjoining properties? Yes or No
4. Is location identified of proposed vehicle and equipment storage areas, erosion controls, including retention and sediment basins during extraction to prevent a change in the character of runoff to adjacent land? Yes or No

IT SHALL BE THE RESPONSIBILITY OF THE OWNER OF THE LAND FROM WHICH THE SOIL IS BEING REMOVED TO MEET THE FOLLOWING CONDITIONS:

The character of runoff from and onto adjacent land shall not be changed.

There shall be no excavation closer than one hundred feet of any abutting property not involved in the operation. All cuts shall be no less than four to one.

The topsoil should be collected, stockpiled and redistributed over the exposed soil area of the operation. The soils in the excavation area shall then be stabilized, the land graded, seeded or sodded to prevent erosion and siltation.

The owner of the property from which the soil is being removed may be responsible for costs for any damage to county roads or bridges used for access to the site which requires additional maintenance or repair from normal county maintenance or repair as a result of additional traffic generated.

The protection of the public health and safety shall be the responsibility of the owner of the property from which the soil is being removed. Upon observing a problem or verifying a complaint, the Zoning Administrator may order the operation to cease until the problem is resolved.

MADISON COUNTY JOINT PLANNING DEPARTMENT

All extraction of soils within a designated floodway conforms to the Floodplain Regulations.

The Planning Commission, Board of Commissioners, or Planning and Zoning Administrator may place extra conditions on the application.

The information provided herein, including the drawing is, to the best of my knowledge, true and accurate. It is understood that any unintentional or intentional error, mis-statement or mis-representation of fact shall be cause for the refusal or denial of this application. Any alteration or change in the plans made without the consent of the Zoning Administrator subsequent to the issuance of this permit, shall constitute sufficient grounds for the revocation of the permit. The Zoning Administrator, who may be accompanied by others, is hereby authorized to enter upon the property during normal working hours for the purpose of inspection.
