Information is available on this website: [www.aflacenrollment.com/MadisonCounty/0MRE53831832](http://www.aflacenrollment.com/MadisonCounty/0MRE53831832)

AFLAC is insurance for daily life. Cash benefits are paid when you're sick or hurt to help with expenses not covered by your medical insurance. Plans that are available to you include:

- Cancer Insurance
- Dental Insurance
- Hospital Insurance
- Accident Insurance
- Critical Illness Insurance
- Life Insurance
- Short-Term Disability Insurance

Your Colonial Life Representatives are Deb and Kristi.

Please bring your questions and claims! The plans that are available to you include:

- Dental/Vision
- Cancer/Critical Illness
- Life Insurance
- Accident Plans that even cover chiropractor visits!
- Short-Term Disability even Spousal Disability
- Medical Bridge this plan will help with Deductibles and Maternity Coverage

The Premier Accident plan will be highlighted, which includes coverage that pays cash directly to you for accidents that may happen to you or any family members (on or off the job accidents) because it's our most popular plan. There is a wellness benefit on this plan that would pay \$100.00 per person in the family for selected check-ups. Family of 4 = \$400.00 cash to you. Most plans are less than \$20.00 per pay check! Please take the time to stop by or call to set up a virtual time!

VSP has one of the largest provider networks in the State of Nebraska. Madison County is offering a very enhanced vision plan with very affordable rates through the NACO Vision Block. This block is available for county employees and allows them to take advantage of higher allowances at lower costs. They may join the plan during the County's open enrollment period. This plan is available for employees, their spouses, and children.
