AFLAC Insurance provides supplemental insurance coverage designed to help policyholders manage expenses that traditional health insurance may not cover. These plans pay cash benefits directly to the policyholder (unless otherwise assigned), allowing individuals to use the funds for medical costs, household bills, or any other expenses during times of illness or injury. AFLAC is well known for its quick claims processing and its goal of helping customers focus on recovery rather than financial stress. AFLAC offers a variety of policies including:

Cancer Insurance  
Critical Illness Insurance  
Dental Insurance

Life Insurance

Hospital Insurance  
Short-Term Disability Insurance  
Accident Insurance

**Vision Service Plan (VSP) Insurance** provides vision care coverage to help reduce the cost of eye exams, glasses, and contact lenses. VSP members have access to a large network of optometrists and ophthalmologists who offer quality eye care at discounted rates. The plan typically covers routine eye exams and provides allowances or discounts on eyewear and lens enhancements. VSP's focus is on promoting eye health and early detection of vision-related issues, helping members maintain good eyesight while saving on out-of-pocket costs.
